

FEDERAL TVET INSTITUTE

Call for Paper and Panel Discussion

The Federal TVET Institute in collaboration with Federal TVET Agency will organize national panel discussion with the main theme: **TVET for National**

Development. The panel discussion aims to provide an interface for researchers, stakeholders, policy makers and others, to gain synthesized knowledge on the current TVET problems and possible solutions for enhancement of TVET sectors. To this end, Federal TVET Institute and Federal TVET Agency cordially invite interested researchers, practitioners and others to submit abstract of original works in one of sub-themes, but not limited to

- **TVET-Industry Linkage**
- **TVET and Employability**
- **TVET and Quality of TVET delivery**
- **Developing Positive Societal Image Towards TVET**
- **Technology Copy and Transfer Practices and Challenges**

Important Dates

Abstract Submission: May 20th, 2019

Notification of result: May 24th, 2019

Panel Discussion: June 14th-June 20th

Submission will be evaluated based on the abstract (up to 300 words) or papers context, research questions being addressed, method or approach used to solve problem, results and implications (deeper meaning behind the result). For selection, the abstract shall pass a blind peer-review process. Based on the reviewers' comments, the accepted papers will be presented on panel discussion.
